Experience

Management: 1:1s, Discussing Underperformance, Team Reviews

Miscellaneous: Proficient in Google Suite, Microsoft Office, OBS/Twitch

League of Legends: Peaked D3 as support, played 1 collegiate split (18-19)

Northeastern University / Varsity Head Coach of League of Legends

August 2020 - Present, Boston, MA and Remote

Architected the structure for the LoL program, scouted all twenty players, and hired support staff for the three tiers of League of Legends supported at Northeastern.

Northeastern University / Club Sports Head Coach of League of Legends

April 2019 - August 2020, Boston, MA and Remote

Elevated the performance of Northeastern's premier League of Legends team via VOD reviews, team-building exercises, and individual plans for growth.

Integrity Security Services, LLC. / Software Engineer

January 2020 - June 2020, Boston, MA and Remote

Spearheaded most Agile activities including a daily standup, the Kanban board, and introduced a standardized code review which inspires my approach to VOD reviews.

Education

Northeastern University - Khoury College of Computer Sciences / Bachelor's Degree of Computer Science

September 2016 - December 2019, Boston, MA

Completed one co-op at ServiceNow, invested a great deal into esports at Northeastern along its journey from club to varsity program.

New Paltz High School / Advanced Regents Diploma

September 2012 - June 2016, New Paltz, NY

Graduated seventeenth in a class of one hundred eighty three students.
