With a language agnostic approach, I hope to find opportunities that will both advance my values and challenge me as a programmer. My work has been primarily with Java, Python, and front-end development though I am excited to branch out and work with whatever is necessary.

Education:

Northeastern University - Khoury College of Computer Sciences   **Boston, MA**
Bachelor of Science in Computer Science   December 2019
Achievements: Dean's List, Honors Program, NUHacks

New Paltz High School   **New Paltz, NY**
